Huffman Elementary School Auction and Family Festival Friday, March 5, 2010

The Huffman PTA and Auction Committee are soliciting your support to enhance our annual Auction and Spring Festival. The proceeds from our fundraiser continue to provide funding for PTA sponsored activities and educational programs for the benefit of our students. This would include projects such as our Literacy Center, student field trips, guest speakers, books, and classroom equipment which will meet the needs of all students for years to come.

Our school will proudly advertise donations from businesses and families through promotional materials, auction displays and newsletter circulation to hundreds of Huffman families with the hope that their support and patronage will follow. Again, thank you for your consideration and help to make our auction a big success.

Donor: _____

Contact Name: _____

Street Address: _____

City/State/Zip: _____

Contact Telephone: _____

Detailed description of the item or service being donated: _____

Retail value of the item or service being donated: _____

Restrictions, if any: _____
