Do you want your information published in the directory? Yes No

PUBLICATION CONSENT:

Throughout the school year, professional photographers and PTA designated parent volunteers will be taking posed individual, organization, and classroom group photos, as well as candid photos of other school and PTA-sponsored events such as class field trips, school parties, 5th grade camp, dances and socials, assemblies, science night, field day, etc. Some of these pictures will be published in the yearbook, newsletters, scrapbook, and memory book/disk.

If you do not want your child's picture to appear in these publications, we must know now so that we may take steps to prevent your child's picture and identifying information from being printed. If you respond "No" below your child will not be in any posed school picture opportunities, and any candid photos taken of your child throughout the school year will not intentionally be used in these publications. Every reasonable effort will be made to omit your child's image and identifying information from the items/publications marked "No." If you select "DO NOT", please discuss with your child that they may be asked to step out of some photos.
